

Client disclosure statement of Business Continuity Plan

Updated February 12, 2024

Portfolio Design Services LLC (PDS) has in place a business continuity plan on how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters is unpredictable, we will have to be flexible in responding to actual events as they occur.

Business Continuity Plan: Portfolio Design Services LLC (PDS) plans to quickly recover and resume business operations by safeguarding our employees and property, making a financial and operational assessment, protecting the firm's books and records, and allows our customers to transact business.

The plan addresses data backup and recovery.

- Portfolio Design Services, LLC. Is required to backup Client and business records in a geographically separate area,
- All mission critical systems,
- Financial and operational assessments,
- Alternative communications with customers,
- Employees and regulators, alternative physical location of employees,
- Critical supplier,
- Bank and counter-party impact,
- Regulatory reporting,
- Assuring our customers of prompt access to their funds and securities if we are unable to business.
